

# matki

Effortless style and sublime innovation are the hallmarks of any Matki Collection, and the foundations on which every Matki product is created. The epitome of indulgence, each design is a stunning mix of sumptuous, hand-crafted beauty and luxurious functionality, where even the smallest detail has been developed to give you a truly exhilarating shower experience.

The exceptional range of doors, surrounds, bath screens and trays exhibit the talent and passion of the Matki design team. Each product is carefully manufactured in our Bristol, Redruth and Waterlooville factories, ensuring it surpasses our unique and exhaustive quality demands. Sleek frames built from rigid Aluminium and Stainless Steel extrusions, with door furniture and fixings Chromed and modelled from solid metal, provide a perfect balance of staggering beauty and long-lasting performance.

Exquisite design and supreme perfection: Pure Matki.

GENERAL  
INFORMATION

## ILLUSION COLLECTION

Illusion has its name for a reason. There is an emphasis on frameless design with sleek wall channels, no frame where the glass meets the tray and a neat flush fitting handle option. This achieves a luxurious, spacious feel whilst not compromising on the enclosure's functionality and durability. There is a special unique off-set hinge system to allow the widest possible entrance; Matki secure non-slip hinge technology; and integration of the glass panel into the shower tray to add to the unit's strength and avoid the use of visible silicon. Illusion is the epitome of Matki design: Superb stylish appearance and uncompromising functional prowess.

### CONFIGURATIONS

#### FEATURES

A choice of configurations is available. Quintesse, Corner and Recess

**■ Illusion Quintesse:** An elegant solution for corner fitting with a beautiful frameless appearance and Integrated Shower Tray for a seamless look. See opposite and page 4 for images and [page 50](#) for price and specification.

**■ Illusion Recess:** Minimal 8mm glass door and panels. Available with or without Integrated Tray. As Standard in Chrome and Silver finish, version without Integrated Tray also available in Matt Black finish. See page 7 for image and [page 46](#) for price and specification.

**■ Illusion Corner:** Hinged door and panels for corner. Available with or without Integrated Tray. As Standard in Chrome and Silver finish, version without Integrated Tray also available in Matt Black finish. See page 8 for image and [page 48](#) for price and specification.

ILLUSION QUINTESSE - IQT900

ILLUSION QUINTESSE - IQT1490

## HANDLE OPTIONS

■ Soft Return Handle (standard)

■ Traditional Handle (please specify)

## SHOWER TRAY OPTIONS

■ The Illusion Integrated Shower Tray system has 8mm panel glass securely inserted into an innovative sealed channel in the shower tray, this eliminates the need for silicon sealant along the glass and tray junction. The trays have an integrated tiling lip on wall sides for a secure tray-to-tile seal and come with a Fastflow Shower Waste and Stainless Steel Grill.

■ Recess and Corner available to order with or without integrated Shower Tray. IR, pictured below, is designed to fit directly onto a Wet Room Floor or existing Shower Tray. See **page 46 and 48** for sizes and prices.

ILLUSION RECESS - IRT1290

ILLUSION CORNER IN MATT BLACK - IC1590

## ILLUSION IN MATT BLACK

The Illusion for Corner and Illusion for Recess without Integrated Shower Tray are now available to order in a stylish Matt Black Finish, combining the elegance of Matki design with a celebration of modern industrial design themes.

Using a marine grade industrial coating, more hardwearing than traditional powder coating, the frames and Brass fixtures are scratch resistant and wonderfully bold.

Matt Black makes the Illusion a reality, positioning the showering space as a stylish centrepiece.

Pictured with perfectly matching Matt Black Brassware by Swadling Brassware.

See **page 46 and 48** for prices and specification.

MATKI-ONE SLIDER CORNER - MOSC1790

## MATKI-ONE COLLECTION

The Matki-ONE Collection is elegantly unique with eye-catching detail. A subtle geometric design with angular profiles and stylish circular details on the handles and framing.

Chrome and Silver is the standard finish, but there is the opportunity to customise the framing and circular disc details with a range of exciting colour and metallic finishes. Black, Brass and Architectural Bronze have a distinctive appeal.

Matching form and function, the complete Matki-ONE Collection is engineered from high-quality materials for a sustained durability, consisting of highly robust Stainless Steel framing expertly engineered for a minimal appearance.

### CONFIGURATIONS

#### FEATURES

A choice of configurations is available: Slider, Pivot, Quintesse and Curved. All with mirror polished Stainless Steel top track for strength and durability. Wet Room Panels are also available.

**Matki-ONE Slider:** A superbly smooth-running sliding door with soft cushioned roller action and assisted stop. See opposite and page 13 for images and [page 44 and 45](#) for prices and specification.

**Matki-ONE Pivot:** A strong and streamlined design with a two-way pivot door mechanism allowing the door to open both outwards and inwards. See page 14 and 17 for images and [page 47 and 49](#) for price and specification.

**Matki-ONE Quintesse:** A stunning design. The Matki-ONE Quintesse comes with or without shower tray. See page 19 for image and [page 51](#) for price and specification.

**Matki-ONE Curved:** Unique and wonderfully smooth functioning, with cushioned roller action and assisted stop. See page 20 for image and [page 53](#) for prices and specification.

**Matki-ONE Wet Room Panels:** Minimal yet distinctive, Matki-ONE Wet Room Panels come in a range of sizes, frame and glass finishes and configurations; including Single, Twin Entrance and L-Shaped Walk-In. See pages 22 - 29 for images and [page 54-63](#) for prices and specifications.

All the enclosures and panels in the Matki-ONE Collection consist of 8mm Safety Glass. Each configuration can be installed on a shower tray or tiled floor.

MATKI-ONE SLIDER RECESS - MOSR1200

MATKI-ONE PIVOT CORNER - MOPC900

## FRAME FINISH OPTIONS

■ **Vertical frames** in a choice of Silver (standard), White, Black Anodised or Architectural Bronze.

■ **Horizontal frames** come with Mirror Polished Stainless Steel top track and Silver Aluminium bottom track.

■ For colour options and pricing please see [page 67](#).

■ Silver (Standard)

■ White

■ Black Anodised

■ Architectural Bronze

## HANDLE OPTIONS

■ **Cylinder Handle:** Outer part of the handle is available in a choice of Chrome (standard), Copper and Brass colours. See [page 67](#) for options and pricing.

Flush handle is standard on Slider model MOSC1000 and MOSR1000.

■ Chrome (Standard)

■ Copper

■ Brass

■ Flush

■ **Ring handle:** Available only in Chrome finish on Pivot and Quintesse Model. Surcharge applies, see [page 67](#).

MATKI-ONE PIVOT RECESS - MOPR1500

## DISC DETAIL OPTIONS

- Disc detail in choices shown above. Chrome is standard. For colour options please see [page 67](#).
- Disc details are defining focal points appearing in different areas on the enclosure and handle dependent on which model you choose.
- Wet Room Panel disc appears at the front of the wall brace bar. Ceiling brace bar version does not include colour disc.

MATKI-ONE CURVED - MOC1290

MATKI-ONE WET ROOM PANEL WITH WALL BRACE - MOWP1000

■ MOWV1000 - Wet Room Panel Ceiling Brace Version

■ MOWP1000 with Copper discs

## THE MATKI-ONE FRAMED-EFFECT

Matki-ONE Wet Room Panels are exclusively available to order in a Black or White Framed-Effect. Printed digitally on to 8mm solid Safety Glass, the framing has a unique style, making a statement in Black and quietly coordinating in White. See **page 55** for prices and specification.

MOWP1200 FE WHITE – Matki-ONE White Framed-Effect

MATKI-ONE WET ROOM PANEL WITH WALL BRACE AND BLACK FRAMED-EFFECT - MOWP1200 FE

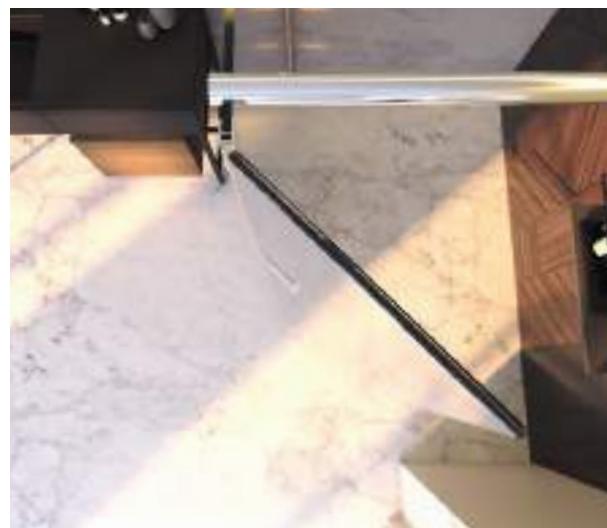

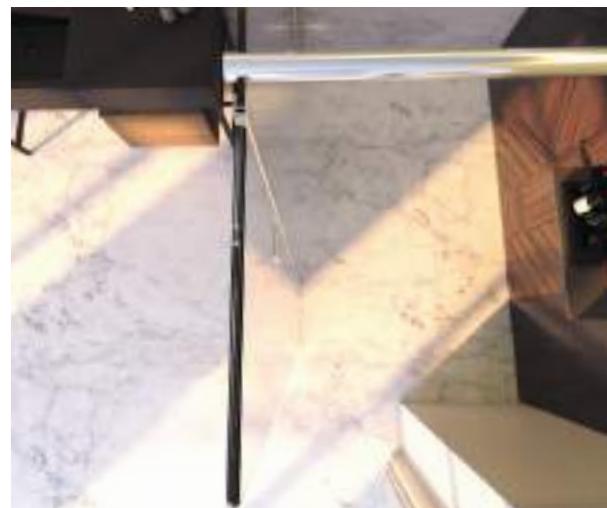

MATKI-ONE SINGLE PANEL WITH HINGED RETURN PANEL - MOWPHP1200

## THE NEW MATKI-ONE HINGE PANEL

The Matki-ONE Wet Room Panel is now available to order as standard with a Hinge Panel. Working to reduce splash and spray from the shower area, the Hinge Panel opens through 180° and is fitted with an advanced Neoprene seal, keeping the Wet Room free of excess water with convenient flexibility. See **page 58** for prices and specification.

## MATKI-ONE RAILS

Matki-ONE Rails are designed to complement the styling of the Matki-ONE Shower Enclosures and Panels. They are available in all the Matki-ONE colour sets and combinations, with the end-brackets only available in Silver. See **page 66** for prices and specification.

■ MOTR - Matki-ONE Panel Mounted Towel Rail

■ MOWR - Matki-ONE Wall Mounted Support or Towel Rail

MATKI-ONE PANEL AND SIDE PANEL - MOWW1790

## RADIANCE COLLECTION

Both intensely invigorating and supremely functional, the Radiance Collection is perfect for the frantic pace of modern family life.

With its tempered glass surround, sleek Chrome framing and sliding door with discreet, soft closure, the collection is graceful yet sturdy.

The stunning Radiance Curved Corner Surround shown is available in several sizes, each with the timeless design that will fit effortlessly into the corner of the most stylishly modern or traditional of bathrooms.

### CONFIGURATIONS

#### FEATURES

A choice of configurations is available. Curved, Straight Slider and Pivot.

**Radiance Curved:** Unique and wonderfully smooth functioning, with high-lustre anodised Aluminium top track and cushioned roller action. See opposite and page 32 for image and [page 52](#) for price and specification.

**Radiance Straight Slider:** A superbly smooth-running sliding door with high-lustre anodised Aluminium top track and whisper smooth cushioned roller action. See page 34 and 35 for images and [page 44 and 45](#) for price and specification.

■ NRXS1490 Radiance Slider for Recess

RADIANCE SLIDER FOR CORNER - NRXSC1490

BOUTIQUE THREE-SIDED SURROUND - NWST1790BH

## BOUTIQUE WALK-IN COLLECTION

Effortlessly luxurious, the Boutique Walk-In Collection has to be the very pinnacle of doorless showering solutions.

Designed as the sublime three-sided configuration seen here or as an equally beautiful Recess or Corner configuration, the surround is created almost entirely from glass and fits perfectly into a groove in the uniquely styled tray.

Shown here with Optional Hinged Panel for extra splash protection. The Hinged Panel features a unique glass edge water seal.

The industry-leading two-way Elixir thermostatic valve is an integral part of the sleek shower assembly, enabling water flow and temperature to be conveniently controlled from within the shower. A glamorous wet room feel that everybody can now indulge in.

### CONFIGURATIONS

#### FEATURES

A choice of configurations is available: Single Panel, Panel and Return and Surround, all with Side Panel options. All Boutique products come with an Integrated Shower Tray and optional Brassware assembly.

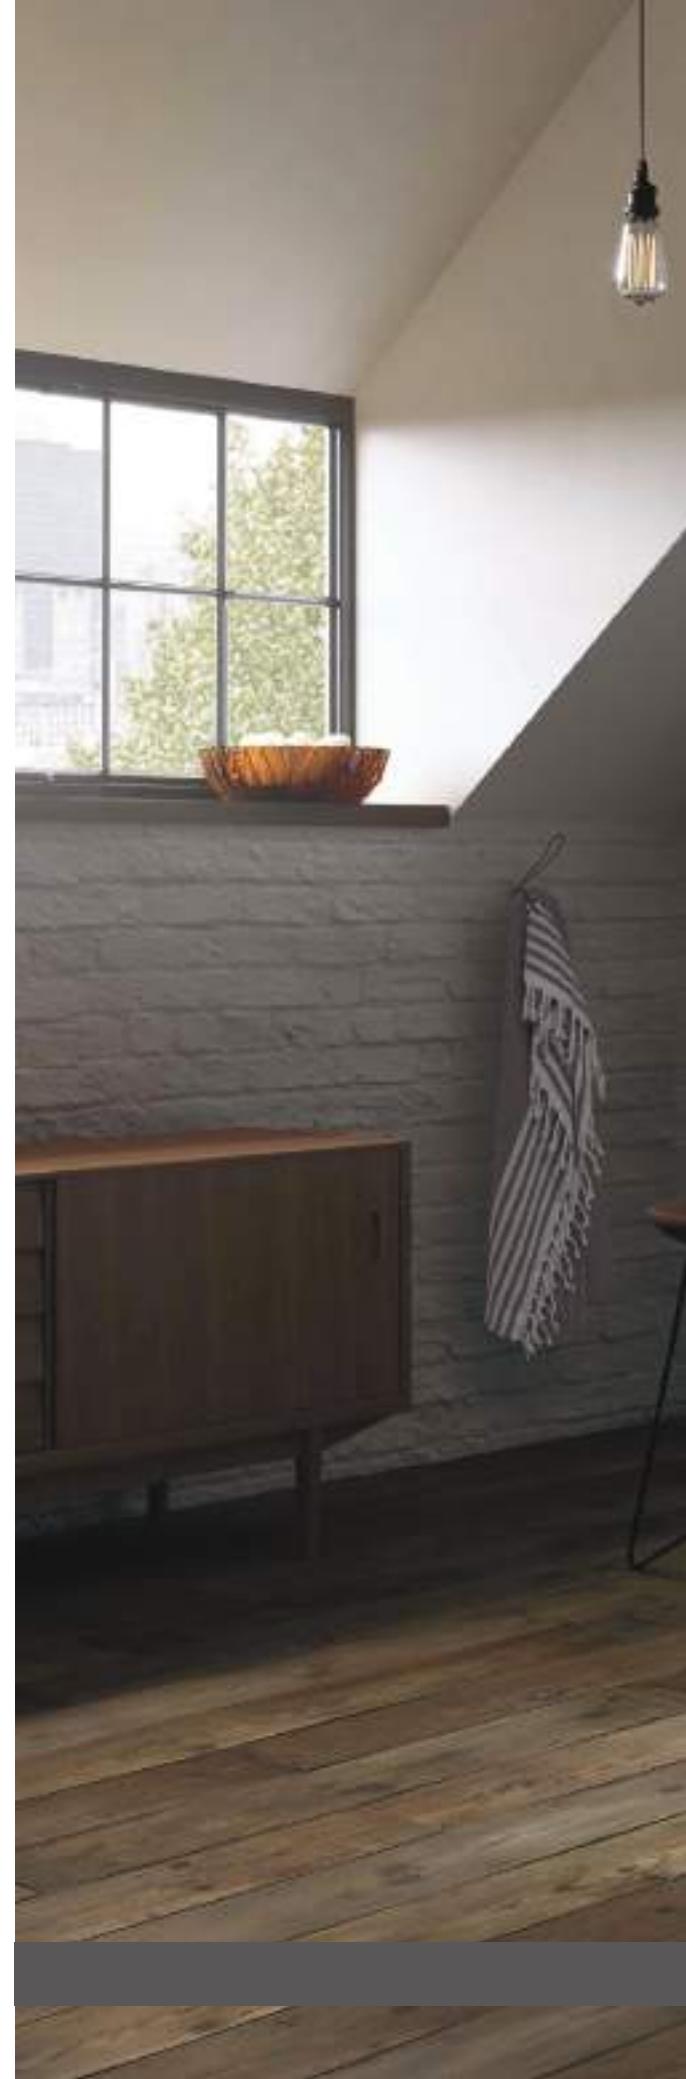

**I Boutique Single Panel:** A 10mm Glass Wet Room Panel with Integrated Tray and no Brace Bar, beautifully minimal and easy to maintain. Side Panel configuration also available. See [pages 56-57](#) for price and specification.

**I Boutique Panel and Return:** Choice of a Fixed Return or Hinged Return Panel to give added splash protection. See [pages 41 and 43](#) for images and [pages 59-60](#) for price and specification.

**I Boutique Surround:** Impressive glass surrounds in Corner or Three-sided setups. See opposite and [page 39](#) for images and [pages 60 and 62](#) for prices and specification.

## INTEGRATED BRASSWARE

An optional contemporary styled Brassware setup can be added to Boutique for a fully integrated solution. Made from solid Brass, it includes a two-way Shower Mixer, Hand Shower and Deluge Head. Surcharge applies, see specification pages.

BOUTIQUE PANEL SURROUND FOR CORNER - NWSC1790B

BOUTIQUE PANEL WITH RETURN AND SIDE PANEL - NWCC1790

## INTEGRATED SHOWER TRAY

■ 8mm and 10mm safety Glass panels are cleverly inserted into a specially designed channel within the Shower Tray, forming a perfect seal. This eliminates the need for silicone sealant along the base of the glass surround and maintains a clean and frameless appearance

■ Boutique Walk-In 50mm high Shower Trays are made from Acrylic Capped Stone Resin available in White, Pergamon and Black, complete with Fastflow Shower Waste with Stainless Steel grill and tiling upstands on wall sides

## SPACIOUS AND STYLISH

As Standard, Boutique Panels now come without any Brace Bars - keeping the Shower area spacious and uncluttered. This is a unique feature of these wet room walk-ins and testament to the strength achieved with thick 8mm and 10mm glass and integration into Shower Tray

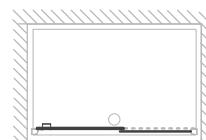

BOUTIQUE PANEL WITH RETURN PANEL - NWSF1790

## SHOWER TRAYS AND FLOORS BY MATKI

Complete luxury in the Shower demands a stunning foundation.

Matki have manufactured Shower Trays in Cornwall since 1979.

Beginning life within a small boat building factory in Penryn, we now operate a 60000 sq. ft purpose-built factory in Redruth.

All our Shower Trays and Floors are hand built and hand finished with precise attention given to the surface finish; robust coatings are then applied using state of the art machinery ensuring perfect durability.

Each important phase of manufacture is carried out by experienced team members, some of whom have worked with Matki since the very early days. With this experience comes an expert knowledge of our products and our quality demands - each Shower Tray that leaves the Redruth factory is inspected with expert eyes.

Matki offer a wide choice of shapes, sizes, styles and colours of Shower Tray including bespoke, designed to work harmoniously with Matki Shower Enclosures.

### PEACE OF MIND

All Matki Shower Trays and Floors use surface materials which are chosen for their longevity, durability and natural non-slip qualities. Matt White Continental, Preference and Slate are all Certified Anti Slip Rated using the DIN51097 standard framework.

## THE COLLECTIONS

### CONTINENTAL

The low-profile Continental Shower Tray provides a modern look with strong and durable properties built from Stone-Resin and double layered Acrylic. Square, rectangular, curved and Quintesse shapes are available to order in a wide range of sizes. There is also a 30mm Continental Shower Floor, creating a seamless look for a flush-to-floor style.

Continental is durability tested far beyond industry standard to withstand 1.2 tonnes.

## PREFERENCE

Made from the Matki Preference Solid Surface formula rich in ground Marble, Preference Shower Trays and Floors have a luxurious quality each taking up to 6 hours to perfect and hand-polish.

For fitting showering spaces into challenging layouts, bespoke sizes with cut-outs can be produced, catering for internal pipe chases, alcoves and around-bath setups.

Preference Shower Trays and Floors are available in any shape and size up to 2050mm by 1150mm and the central position of the waste can be shifted to avoid joists and other obstructions.

## SLATE

Modelled on natural slate, the Slate Shower Tray and Floor have an authentic feel harmonising beautifully with natural stone schemes in the bathroom - it is even possible to colour match to surrounding tiling.

Slate Shower Floors can be made to measure in square or rectangular shapes in any size up to 2000mm x 1000mm with a central waste which can be offset dependent on size ordered.

## UNIVERSAL

Available in any colour to order, our team can use RAL/Pantone charts, tile samples or even paint names to match colours to the wider bathroom design scheme.

Square, rectangle, curved and Quintesse shapes are available to order - the Universal Linear adds a note of difference to the collection with a uniquely designed linear waste cover.

## FINELINE

Striking a fineline between aesthetic and practicality. With a slightly increased height of 60mm, the Fineline brings added peace of mind and a deeper showering area.

Manufactured from high quality Stone Resin with a double layer acrylic cap.

## CONTINENTAL 40

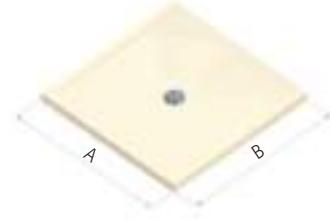

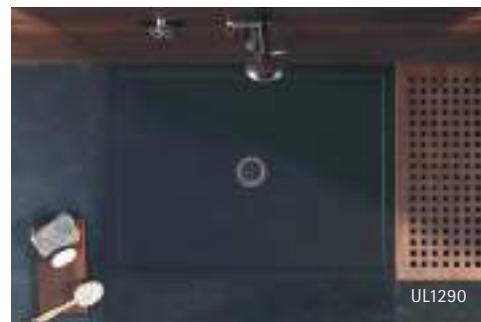

- Low Profile 40mm, 10mm Raised Threshold
- Stone resin, double acrylic cap
- Centre high-flow shower waste with Chrome flange and Stainless Steel grill
- Raised Tray version optional with adjustable legs and front panel in white only. Adds 100mm to height. Recess add £42, Corner add £79 ex VAT
- Available in White, Matt White\*\*, Black, Pergamon\*\*
- Matt White is certified DIN51097 A Anti Slip

\*\* Waste is located in RH corner for this model, other models have waste outlet in LH corner, see illustrations

# GENERAL INFORMATION

The new Matki Collection and Price Guide contains a selection of our most popular Shower Enclosure, Bath Screen, Shower Tray and Brassware ranges. Other collections can be found online at [www.matki.co.uk](http://www.matki.co.uk). The brochure begins by showing a visual overview by range of Matki Shower Enclosure products, following that there is a section organised by product type giving details on sizes, prices, options and handing. Shower Tray and Brassware sections are found towards the back of the brochure. We recommend that all information is read carefully and discussed with your nearest Matki Centre before ordering. Items shown in bold should be specified on order along with the model code and size required.

All images, finishes and colours are for representation purposes only and it is strongly recommended that you visit a Matki Centre to view a display of the product you are interested in. You can find your nearest Matki Centre by visiting the Find Dealers section on our website and inputting your postcode.

## INSTALLATION

Full, simple-to-follow instructions are provided with all Matki products to ensure a quick and easy installation every time. Doors and side panels are adjustable between the sizes stated. All dimensions are approximate.

## QUICK DELIVERY

Available on following models: MOWP, MOWV, MOWW, MOPC, MOPR, MOSC (sizes 1200-1700 only), MOSR (sizes 1200-1700 only), CL, FL. Quick delivery is only available for standard versions. Delivery is to mainland UK within two days. Please clearly state 'Quick Delivery' and order before midday.

Postcodes AB, DD, PA, PH, IV, KW, TD within three days of order.

## PRICES

Matki policy is one of continual improvement and we reserve the right to change specification, colour and prices without notice.

## MATKI 10 YEAR GUARANTEE

Matki shower surrounds and shower trays are covered by a 10-year guarantee against parts failure, with the initial two-year period also having labour cost cover. Gold and Nickel-plated parts and all other special finishes, Teak Decking and Matki Glass Guard are guaranteed for the initial two-year period only. Matki Elixir Thermostatic shower mixers and accessories and Matki Fastflow shower wastes are guaranteed for five years. The 10-year Matki Guarantee is subject to registration and the issuing of a Guarantee number. It is subject to the terms and conditions stated on the Matki website.

## MATKI GLASS GUARD

Matki Glass Guard is an invisible glass surface coating which helps to reduce limescale and hard water deposits to make cleaning of the glass so much easier. Matki Shower Doors, Surrounds, and Trays are produced in accordance with BS EN ISO 9000:2015 Quality Assurance Systems.

## WATER SOFTENERS AND GLASS GUARD

Certain types of water softeners increase the alkalinity of the water due to a carry-over of chloride during re-generation which can cause aggressive water spots on both untreated and Glass Guarded glass. If using a water softener we recommend a two-cylinder machine with automatic re-generation instead of a timer.

If a single-cylinder water softener with timer is already installed it is recommended that after each shower excess water is removed from the glass with a squeegee or with a micro-fibre cloth.

For any questions and feedback or to request copies of our EauZone Plus and Classica brochures, please contact our Customer Helpline on [helpline@matki.co.uk](mailto:helpline@matki.co.uk) or 01454 322 888.

Preference, Slate and Continental Matt White are Certified Anti Slip by DIN51097 and PTV standards. See individual product pages.
